**EXTERIOR:**

Overall White over Navy Blue, Red and White accent striping.

**INTERIOR:**

The aircraft has 16 passenger seats (19 total) plus two in the crew rest area and two flight attendant jump-seats that are certified for Taxi, Take-Off and Landing. The entry area of the cabin houses the crew rest area, the crew lavatory, a passenger lavatory and the full service galley across from the pantry. The forward cabin houses the lounge area, which is laid out with a right side conference/meeting group with a four-place divan with two executive chairs and two hi-lo tables. On the left side of the lounge area is a two-place club style seating arrangement with entertainment cabinet. The mid-cabin area houses a dining group made up of six individual executive style seats with a hi-lo meeting/dining table. There is a full-length credenza on the right side along with a corner observation/secretary chair. On the aft bulkhead is a 42" flat screen TV/monitor. The hallway, leaving the mid-cabin on the right side, leads to a guest room that houses two three-place divans that convert into a full size bed. There is a credenza with a 21" TV/monitor on the left side of the guest room and the room can be made private by the sliding pocket door. The hallway leads further into the aft stateroom area. The stateroom houses a full size bed and night tables with reading lights, wardrobe and a 42" flat screen TV/monitor on the aft bulkhead. The fully equipped aft lavatory is complete with vanity, toilet and shower.

***All Specifications are Subject to Verification Upon Inspection.***

***The Aircraft is Available Subject to Prior Lease, Sale or Withdrawal from the Market Without Notice.***
